

The Little Singers of Saint-Charles Versailles - France

“

*Tomorrow all the children of the world
will sing God's peace*

”

August 2017 - Concert Tour

Who we are

The children's choir *Les Petits Chanteurs de Saint-Charles* was founded in 1983 by Father Roger Morandi. Their mission is to sing the Lord and his wonders and to radiate faith and Christian joy. Our young singers receive both a musical and a spiritual education for without a living faith, sacred music is reduced to a purely artistic gesture and loses its meaning.

Our choir is part of the International Pueri Cantores Federation, a grouping of children's choirs whose purpose is to praise the Lord through sacred music. Together with other young singers of the world, *Les Petits Chanteurs de Saint-Charles* sing the peace of God so that, on Earth, all men of good will live in peace.

What we do

Our singers have rehearsals every week. Once a month they sing Sunday service in Versailles.

They give several concerts a year, mostly in December with traditional a capella Christmas songs and in June at the end of the school year. Late August during summer vacation about 50 young singers spend a fortnight together in France or abroad for a concert tour.

They also attending large events like solemn mass celebrated by popes Francis (Rome, 2015) and Benedict (Paris, 2008 and Rome en 2011) or Cantica Sacra, Festival of Sacred Music in Rocamadour (France, 2006 and 2013).
